Life-Long Bronze Elk Friends Program

We want our customers to become life-long friends and happy repeat purchasers of our fine home furnishings. We have been careful to select furniture manufacturers and home accent suppliers that have a proven track record and ones we are confident will be here for the long haul. This provides you the opportunity to add to your home furnishings collection year-after-year with matching pieces.

To reward our friends for their repeat business, we have established the Life-Long Bronze Elk Friends Program. After purchasing \$3,000 of any merchandise from our stores or web site, you will receive a 5% discount on all further purchases. After \$6,000 you will receive a 10% discount on additional purchases. Beyond \$10,000 a 15% discount will be given and, after \$15,000 a generous 20% will be taken off any further purchase for life.

This is a cumulative program. You can attain your discount level over time and once you have reached any given level, the discount applies life-long.

We appreciate your business. We want to encourage you to come back to The Bronze Elk often and we hope you will become a Life-Long Bronze Elk Friend!
